FOX HILL PONY CLUB PRESENTS

THE 24TH ANNUAL JUMP FOR JOY SCHOOLING SHOW

JANUARY 19TH - 21ND 2024
CLARK COUNTY EVENT CENTER

WHAT IS PONY CLUB?

The idea for Pony Club started in Great Britain in 1928. The founders recognized the need for any child with an interest to have access to excellent equestrian education and training. The idea was so successful that it soon spread to other countries. In 1954, Pony Club came to the United States. Pony Club is the largest equestrian educational organization in the world and today flourishes in 31 countries with 130,000 members!

The cornerstones of our foundation are education, safety, sportsmanship, stewardship, and FUN. Members learn riding and the care of horses through mounted sports. Good horsemanship extends far beyond skills in the saddle. The skills, habits and values instilled through horsemanship will apply to every part of a member's life. Many of our graduates feel that Pony Club helped shape their character and the choices they have made as adults.
